## Available in 2 colors

Compact lamp made of high quality polymer. Thanks to its LED technology, it offers a luminous flux of 220 Lumens! Its tempered glass bulb is extremely resistant.

This flashlight has an integrated 21mm Picatinny rail mount, and its controllers are ambidextrous (once the flashlight is mounted on a GBB, it is triggered by rotating the control knob). The lamp comes with a remote switch and with a functional infrared filter (on the cap)

Delivered in a rigid BO Manufacture case

Works with 2 CR123A batteries (not included)
