### Exceptional finishes

Set of 3 MILSTD 1913 21mm 5-slot Picatinny/Weaver rails for M-LOK mounting system

Polymer rails

The rails have a double chamfer, bringing two advantages. First of all, the chamfers provide better ergonomics and significant comfort when handling the weapon on the bare rails: No cutting effect.

Then, the chamfers providing fluidity and ease during the assembly of accessories, lamp, laser or optical, turn out to be fluid and fast.
