A GBB airsoft pistol with the MP443 silhouette

The **Stark Arms VFC MP443 GBB** retains the characteristic lines of the MP443 in a configuration designed for airsoft. Its **Gas Blowback** system pumps the slide with each shot, providing dynamic handling during games.

Removable 18-round magazine

The magazine has a capacity of **18 BBs** . Its removable design allows for reloading between game sessions, while the textured grip helps maintain control of the replica during handling.

Acquisition conditions and regulations

With an energy of 1.2 J, this replica falls into the category of objects resembling firearms and generating an energy greater than 0.08 J and less than or equal to 2 J. Its purchase is restricted to adults. Its sale, distribution, or provision, whether free or for a fee, to a minor is prohibited in accordance with Decree No. 99-240 of March 24, 1999. The energy level must be indicated on the product, its packaging, and its instruction manual.

Can a wrist strap be attached to this replica?

Yes. There is an attachment point at the base of the handle.

Can the magazine's fill level be visually checked?

Yes. The charger has side openings with numbered markings.
