## Red dot without LED or battery!

Shoot with 100% confidence, never miss your target again. The PX-S2000 features a glare-free dual lens mirror which together with the patented fiber optic system, creates a sight that will give the shooter complete confidence in their shot.
The PX-S2000 red dot sight is made from aircraft grade aluminum and all components are waterproof. Fiber optics will be excellent in the deepest forest, at dusk or dawn.
Red dot operating from the optical fiber and the light of your environment.
Fits on 5 to 9 mm and 9 to 12 mm rifle band.
Comes with an Allen key. Collimation by 6 screws. Sold in a case according to availability.
