A fireball for all your glasses!

Compatible for eyepieces with external diameter of 36, 40, 41.5 and 43 mm

The UTG LEAPERS windshield is made from rubber material with multiple pleats and an ergonomic eye cone, providing great flexibility and protection for the eye area against recoil.

- Possible adjustments
- Prevents glare by increasing visibility of low-intensity light and improves aiming by eliminating distractions from peripheral movement
- The design of the windshield allows for rapid eye positioning for better comfort and reticle alignment to speed up target acquisition and increase visibility.
- The adapter kit includes a locking flap to secure the eyepiece as well as 36mm, 40mm, 41.5mm or 43mm diameter adapters.
