Transport your long guns safely with pre-cut foam and wheels.

The **NUPROL Waterproof 98cm case** is a robust and waterproof solution for transporting long guns or airsoft replicas. Its **pre-cut** foam allows for a precise and secure fit.

- **Interior dimensions:** 98 x 29 x 12.5 cm
- **External dimensions:** 103 x 33 x 15 cm
- **Waterproofing certification:** IP67
- **Foam:** pre-cut Pick 'n' Pluk type
- **Closures:** 4 sturdy latches
- **Handles:** top + side for rolling
- **Casters:** integrated
- **Security:** 2 padlock slots
- **Valve:** integrated decompression button

Compact case, maximum protection

The **Nuprol Waterproof 98cm** is perfect for securing a medium-sized **rifle, shotgun, or airsoft replica** . Its **Pick 'n' Pluk** foam allows you to create a custom fit around your equipment, whether it's basic or fully accessorized.

Customized protection thanks to pre-cut foam

The detachable foam cubes allow for a **precise and stable** fit, ensuring the replica stays securely in place during transport. It's the ideal solution for equipment with optics, bipods, or suppressors, eliminating the need for traditional foam inserts.

Easy transport with handles and wheels

With its **integrated wheels** and **side handle** , this case pulls like a suitcase. The **top handle** also allows for carrying by hand or quick loading into a vehicle.

Note

- **Compatibility:** Suitable for rifles with optics, silencers, or custom configurations
- **Foam type:** Removable, replaceable Pick 'n' Pluk
- **Use:** Suitable for transport in the hold (thanks to a valve and padlock points)

FAQ

Can a replica with a mounted optic be housed there?

Yes, the pre-cut foam allows the interior to be adapted to configurations with scope, bipod or silencer.

Is this model suitable for air travel?

Yes, the pressure relief valve and padlock points make it compatible with air transport in the hold.

Is the foam replaceable?

Yes, the pre-cut foam can be replaced if it wears out or if you change your setup.
