A customizable interior for your handgun

The **NUPROL hard case** with **pre-cut foam** precisely fits the shape of your pistol, revolver, or CO2/GBB replica. Thanks to the Pick 'n' Pluk system, you can easily remove the foam blocks to create a custom fit, without tools.

Compact and ultra-resistant structure

Made from **high-density plastic** , this case effectively protects against everyday bumps, scratches, and impacts. It easily fits into a shooting bag, trunk, or secure storage space.

Secondary specificities

- **Compatibility:** pistol or revolver equipped with (light, short silencer, etc.)

- **Use:** Ideal for personalized transport to the stand or field
- **Foam:** replaceable, customizable, easy to configure

FAQ

What is the difference with the wave foam version?

The pre-cut foam allows for a custom fit, while the wave foam provides cushioning without precise positioning.

Can it accommodate a fitted pistol?

Yes, the Pick 'n' Pluk foam can be adjusted to accommodate a weapon with a light, laser or small silencer.

Is the foam replaceable?

Yes, you can change the foam if you modify your setup or after wear and tear.
