- **Closures:** 4 sturdy latches
- **Security:** 2 padlock slots
- **Mobility:** wheels + telescopic handle
- **Transport:** ergonomic top handle
- **Valve:** integrated decompression button

A fully functional case upon receipt

This **NUPROL Waterproof case** comes with **pre-cut foam** , allowing you to immediately adapt the interior to your **Scorpion Evo** , **ARP9** , or other compact replica. Save time, increase security: everything is ready to use.

Compact size, proven durability

With its internal dimensions of **75 x 33 x 13 cm** , it is perfectly suited for **disassembled SMG replicas or rifles** . Its reinforced polymer structure absorbs shocks and vibrations, even in a safe or in the field.

Enhanced mobility with handle and wheels

It features a retractable **telescopic handle** and robust **transport wheels** , ideal for frequent travel or long field sessions. Transport becomes smoother and less cumbersome.

IP67 certified waterproof protection

The **suitcase is completely airtight** thanks to a peripheral seal and a **pressure relief valve** . It is resistant to water, dust, and pressure changes, making it a reliable option for air travel or all-weather use.

FAQ

Is the foam supplied pre-cut?

Yes, this model comes with pre-cut foam, ready to be fitted to the shape of your replica.

Can I fit a Scorpion Evo type replica in it?

Yes, this case is perfectly sized for this type of long and compact replica.

Is this model approved for air transport?

Yes, thanks to its pressure relief valve and locking points, it is suitable for transport in the hold.
