Sturdy telescopic baton with camouflage paracord handle.

The **paracord telescopic baton** is designed to combine defensive effectiveness and outdoor functionality, with a handle covered in **camouflage paracord** usable in survival situations.

- **Extended length:** 63 cm
- **Folded length:** approximately 20 cm
- **Handle/rod material:** painted steel
- **Glass breaker:** fixed point made of hardened steel
- **Paracord:** approximately 4.5 meters
- **Sheath:** nylon belt with loop + thigh ring
- **Sale:** open to those 18 and over

A functional defense and survival tool

Designed for tactical use as well as outdoor needs, this telescopic baton combines **robustness** and **versatility** . Its **camouflage paracord** handle conceals an approximately 4.5m rope, ideal for survival situations: stretching a tarp, securing a package, or creating an improvised handle.

Camouflage paracord sleeve usable

When tightly wound, **paracord** can be uncoiled to meet various needs in the field. Strong, lightweight, and always useful, it's a real asset for demanding users in diverse environments.

- **Usable length:** approximately 4.5 m
- **Colour:** green/brown camouflage
- **Uses:** survival, DIY, security

Fixed glass breaker point made of hardened steel

Integrated into the base of the handle, the fixed, **hardened steel point** is designed to quickly break a side window in an emergency (accident, intervention). Its conical profile allows for a targeted, effective, and immediate impact.

- **Material:** Hardened steel
- **Mounting:** fixed (non-removable)
- **Wrist strap:** integrated loop with cord

Telescopic mechanism and steel structure

The **black painted steel** frame ensures good inertia during deployment, locking with a simple, sharp movement. The **overall length of 63 cm** provides a considerable reach while remaining easy to handle. The set comes with a soft belt holster for convenient and discreet carrying.

- **Deployment:** by inertia
- **Finish:** matte black paint
- **Case provided:** nylon with loop and thigh ring

FAQ

Is the tip removable?

No, the glass-breaking tip is permanently fixed to the base of the handle to ensure its strength and effectiveness.

Can paracord really be used?

Yes, it is a genuine paracord of approximately 4.5 meters, usable in survival situations or for field repairs.

Is it authorized for sale in France?

Yes, this model is available for sale to adults (18 years and older), according to French law.
