Reproduction of a bayonet rifle from the Napoleonic period.

Napoleon Bonaparte (1769-1821), Emperor of France between 1804 and 1815, consolidated and instituted several of the reforms of the French Revolution. He is considered one of the greatest military geniuses in history, the conqueror of most of Europe commanding very successful campaigns, although with certain equal defeats. Its aggressive wars of conquest became the largest military operations known so far in Europe, involving a number of soldiers never seen in the armies of the time.

Feel the protagonist of the Napoleonic conquests of the early 19th century with the reproduction of this DENIX rifle!
