Silver spring replica inspired by the Colt 1911, elegant and reliable look.

The **GALAXY G13S** is a spring airsoft replica inspired by the **Colt 1911** , with a neat silver finish, a robust structure and ideal handling for recreational shooting.

- **Caliber:** 6 mm BB
- **System:** Spring (manual)
- **Capacity:** Not specified
- **Power:** ~0.5 joules (~170 FPS)
- **Materials:** Metal and polymer
- **Weight:** 485 g
- **Length:** 210 mm

A 1911 replica reimagined in a silver version

The **Galaxy G13S** adopts the aesthetic codes of the legendary **Colt 1911** while adding a **contemporary touch** with its silver/chrome finish. This spring-powered pistol is a popular choice for both collectors and casual gamers looking for a distinctive look.

A combination of metal and polymer for the right balance

The **metal** body and slide ensure strength and durability, while the **polymer** stock lightens the whole for easier handling, even during extended sessions.

Stable performance for recreational shooting

With an energy of approximately **0.5 joules** and an estimated velocity of **170 FPS** , this replica allows for **controlled and smooth firing** at close range. The **fixed hop-up** helps maintain a stable trajectory for your **0.20g** BBs.

Compact and easy to handle

Weighing **485g** and measuring **210mm** in length, this chrome version 1911 model remains very manageable and suitable for beginners or young players wanting a replica without complex maintenance.

Secondary specifications

- **Firing mode:** Single shot / Safe
- **Hop-up:** Fixed

- **Blowback:** No
- **Color:** Chrome / Black
- **Recommended marbles:** 0.20 g

FAQ

Is this model made entirely of metal?

The Galaxy G13S is primarily made of metal with polymer grip plates, for a good compromise between weight and sturdiness.

Is this an officially licensed Colt replica?

No, this replica is not licensed by Colt, but faithfully reproduces the design of the 1911 model.

What use do you recommend for this gun?

This model is ideal for getting started in airsoft, target shooting or as a stylish collector's item thanks to its silver finish.
