The Viper Tactical VX Buckle Up Gun Carrier is fully compatible with the Viper VX Buckle up range. On the front of the bag, there are four quick release buckles and three Velcro ID/Attachment panels.

Inside you will find Velcro lining for weapon retention and magazine inserts. The bag can be carried with two main grab handles or it can be used as a rucksack thanks to padded shoulder straps.

At the back, we used padded mesh panels to enhance comfort whilst wearing the carrier. The front zipped admin compartment will fit a 10" tablet, A5 notebook or any small valuables you may want to store there.
