The Viper VX Lazer Mag/Admin Panel is a versatile pouch that can be attached to your loadout using MOLLE system. The main compartment is lined with hook and loop material which is perfect when using any Viper VX system mag holders. It also comes with detachable clearview admin cover. Outside you will find elastic looping on the base and rear which allows for attaching various accessories. The front of the panel is lined with hook and loop material and also features lazer MOLLE which considerably extends the pouch's versatility. The main compartment can be zipped with the dual zip. Magazines and map on the photos are for marketing purposes only and are not included with the item.
