Waterproof and robust protection for weapons, SMGs or sensitive equipment.

The **Nuprol Waterproof case** is ideal for safely transporting and protecting your SMG replicas, tactical or electronic equipment, thanks to its robust and waterproof design.

- **Colors:** Black (MAL800), OD Green (MAL801), Tan (MAL802)
- **Waterproofing certification:** IP67
- **External dimensions:** 49.1 x 43.5 x 21.1 cm
- **Interior dimensions:** 46.3 x 37.2 x 18.2 cm
- **Capacity:** 45 liters
- **Closures:** 2 secure latches
- **Security:** 2 padlock slots
- **Transport:** ergonomic handle
- **Foam:** pre-cut + honeycomb-shaped in the lid
- **Valve:** integrated decompression button

Secure transport for SMG replicas or sensitive equipment

Whether you're heading out for training, an airsoft mission, or field maintenance, this **IP67 waterproof** case effectively protects your equipment from water, dust, and impacts. Thanks to its **customizable internal foam** , you can adapt the interior to each type of contents: compact replica, optics, camera, drone... Nothing moves, everything stays protected.

Waterproof suitcase that can withstand anything

The high-strength polymer structure absorbs impacts and preserves the integrity of the contents, even if dropped. Two lockable latches ensure a **secure closure** , complemented by **two padlock points** for added security. It's the perfect companion for security professionals, technicians, or

discerning gamers.

Pressure relief valve: a real plus in the field

Its automatic decompression button equalizes internal pressure, particularly at altitude or during temperature changes. This prevents air from being sucked in or the contents from being crushed: a detail that makes all the difference during **air travel** or **long journeys** .

A versatile storage solution

With a **45-liter capacity** , this case allows you to carry a complete set of equipment without compromise. Its **compact design** makes it easy to store in a vehicle trunk or on a shelf. Available in three tactical colors to suit all operational environments.

- **Usable volume:** 45 liters
- **Structure:** ultra-resistant, high-density plastic
- **Waterproofing:** IP67 standard (water + dust)
- **Foam:** honeycomb + pre-cut, adjustable
- **Available colors:** Black, OD Green, Tan

FAQ

Is this case compatible with air transport?

Yes, thanks to its decompression valve, it is perfectly suited to pressure changes in airplanes.

What type of foam is included?

It includes pre-cut foam for the base and convoluted foam in the lid.

Can an SMG-type replica be inserted into it?

Yes, its internal dimensions allow for comfortable storage of a compact SMG-type replica.
