Targets designed for law enforcement training!

The **51x71 mm Police silhouette target** is printed on **special 120 g/m²** paper, with a black silhouette on a white background or a white silhouette on a black background. It offers excellent contrast for precise **shooting training**. Intended for **police** and **gendarmerie** training only, it cannot be used at **FFTir** shooting ranges.

- **Format:** 51 × 71 mm
- **Support:** Special **120 g/m²** paper
- **Color:** Black silhouette on a white background or white silhouette on a black background
- **Use:** Training of police officers and gendarmes
- **Restriction:** Cannot be used in **FFTir** ranges

A compact format for training

Thanks to its **51 × 71 mm** size, this target is ideal for precision exercises and training sessions requiring a small target. Its high contrast makes it easier to identify the silhouette and improves aiming comfort.

High-quality specialty paper

Made from **special 120 g/m² paper**, this target offers good durability during shooting sessions. Its weight provides a balance between strength and print quality, allowing for clear reading of impacts.

For professional use only

This target is intended exclusively for **police and gendarmerie training** sessions. In accordance with usage recommendations, it cannot be used at shooting ranges affiliated with the French Shooting Federation (**FFTir**).

FAQ

Can this target be used in an FFTir shooting range?

No. This target cannot be used in shooting ranges affiliated with the FFTir.

Who is this target audience for?

It is exclusively intended for training sessions for police officers and gendarmes.

What is the paper weight?

The target is printed on special paper with a weight of 120 g/m², offering good durability and excellent readability.
