A real Spetsnaz weapon replica !!

Preview:

The AK series is our flagship range, which has allowed ARCTURUS to stand out among the most demanding players. ARCTURUS AK frames are
Made from stamped steel with QPQ finish, providing exceptional feel and unmatched durability. The AK series boasts meticulous attention to detail, faithfully replicating nearly every aspect of an authentic AK rifle. This includes
all-steel front and rear trunnions, a steel sight base, and functional side optic mounts. The ARCTURUS AK series electronics and hop-up system are among
the most advanced on the market, offering gamers unmatched performance from the very first use, including
among the AK replicas.
