Set of 5 Lancer Tactical Speed magazines

Airsoft magazine for M4 replicas with a capacity of 130 shots.

A high performance spring ensures an ideal ball lift for very high rate of fire (rof) replicas, such as HPA and Hi-speed replicas.

This charger is equipped with an original folding pull tab and has a place to note the charger window number.

- Can feed BBs consistently, even in HPA guns with high rate of fire
- Transparent window reveals the remaining BB count
- Impact-resistant polymer construction with rugged surface texturing
- Compatible with Lancer Tactical Proline Series as well as most M4 airsoft AEGs
- 3 digital number at the bottom of both sides to allow easy marking for identification
- Removable magazine baseplate for easy quickdraws
- Pack of 5 magazines
