A premium red dot sight combining robustness, lightness and compactness, specially developed for AR15 platforms.

Its large 25 mm lens brings brightness and clarity all for a weight of only 112 g. It allows ultra dazzling target acquisition with both eyes open, presenting a clear advantage for dynamic shooting, especially in TSV.

Equally at ease in close range and medium distance shooting, the 3 TACTIX ARD proves to be formidable in terms of precision thanks to its optical quality and meticulous manufacturing.

A quality product that will never let you down.

The quality of RITON products was rewarded in 2020 by BALLISTIC'S magazine.
