Available in 2 colors

Long lamp made of high quality CNC aluminum. Thanks to its LED technology, it offers a luminous flux of 300 Lumens in a pocket format! Its tempered glass bulb is extremely resistant.

This lamp has a removable assembly for Picatinny rail, and 2 types of press button for its operation which allow several types of ignition:

- By simply pressing the button on the back of the lamp (on/off, flash)
- By pressing the pad of the remote switch, which can be positioned wherever you want, and which replaces the button at the back of the lamp (on/off, flash)

Delivered in a rigid BO Manufacture case

Works with 1 CR123A battery (not included)
