Manufactured by DE Airsoft

An aggressive look, a high-performance package, a telescopic stock to accommodate the battery (T-Dean connector with Mini Tamiya adapter included).

High quality polymer construction ensures rigidity and lightness for better playing comfort.

This replica is equipped with the "Fire Control System" electronic management unit, which, thanks to its programming modes, allows you to configure the shots according to each person's preferences.

Comes with a 11.1V 1000mAh Lipo stick battery and a BO3PRO automatic Lipo battery charger.
