- Autonomy: 1 hour 30 minutes
- 2 x 123A batteries supplied
- 6061-T6 aircraft aluminum construction with hardened black anodizing treatment
- 21mm Picatinny Rail Mount 1913
- Ambidextrous use
- Several operating modes: Constant / Momentary / Strobe

The elongated version of the WILD offering an impressive light output of 1000 lumens.

Ultimate tactical equipment to equip your pistol with a picatinny mounting rail such as the GLOCK, SIG SAUER, BERETTA 92, CANIK, CZ, and 1911...

Designed for professional use, the WILD 2 offers impressive light output and a concentrated beam for Low Light or No Light work. It allows effective aiming in low light and perfect identification of its target.

Its ambidextrous control provides excellent grip as well as simple and natural use.

The WILD 2 offers 3 operating modes with constant light after activation or momentary light requiring continuous pressing of the control, as well as a strobe mode
