**Ideal for your outdoor activities, cowboy matches have excellent ignition quality.**

Cowboy matches have the particularity of being able to light without a scraper, a simple friction on a rough surface is enough to start the combustion of the match (the box also contains a rough strip). The packaging evokes the western style and easily recalls cowboys who light their cigarette by rubbing a match on the sole of their cowboy boots.

**Sold in 5 boxes of 100 matches to resellers.**

Box of 100 matches. **Blue or red tip depending on availability.**
