## Replica of the M1 carbine, produced by Springfield Armory during the Second World War.

The high quality replica of the Springfield M1 carbine is CO2 powered and offers excellent recoil feel for added realism.

The upper receiver is made of metal, the rest of the body is made of smooth solid wood.

The rear sights are adjustable.

This replica is available in 4.5mm BB caliber and 6mm BB caliber.

The M1 Carbine is an American self-loading rifle introduced during World War II and used by the United States Army until the 1970s. Other armed forces and police forces still use it today.

- Real wood body
- Upper metal receiver
- Original markings
- Realistic recoil effect
- Front and rear strap attachment integrated into the stock
- The CO2 cartridge is installed in the charger (tool incl.)
