Allows rapid treatment of massive bleeding

- Size 10 x 20cm
- Compression bar
- Disposable
- In its hermetic and sterile bag
- Should be applied directly to the wound

The Israeli-type emergency pressure dressing allows rapid on-site treatment of a serious injury resulting in heavy bleeding.

Easy to use, it can be put in place directly by the injured person or by a novice user.

Its compression handle provides excellent support for the dressing on the treated wound.

The compression bandage is ideal for EDC (Every Day Carry), camping, hiking and any outdoor activity...

An essential for anyone looking to build or replenish their first aid kit.
