An ideal targeting system for air guns

- Manufactured from resistant steel from 1 mm to 1.2 mm thick
- Can be used alone or hung on the wall
- Tilting target system that can be rearmed by a shot on the central disc
- Designed with angles to prevent ricochet
- No batteries needed
- Dimensions: 290x220x200 mm
- Black or green color depending on availability
- **Pack of 10 targets**

A perfect product for fun shooting in your garden with a pellet rifle or air pistol.

Don't move around to pick up targets. Pull on the central circle to reset the system.

The versatility of the target makes it possible to put it on any support or hang it on the wall.

CAUTION: Not suitable for shooting with firearms.
