PG3805	REP PTS ZEV ED-BROWN 1911 STANDARD - NOIR **PX NET**	Vente libre	24	914	Gas	269.00 € incl. tax

Introducing the PTS ZEV ED-BROWN 1911, a premium metal blowback gas pistol, Commander sized. Crafted with meticulous attention to detail, this 1911 pistol offers a slim grip and single-action trigger, allowing for intuitive handling and fast, accurate shots. The pistol's slide is compatible with RMR optics, allowing for easy installation of red dot sights, and it comes with a removable, externally threaded 14mm barrel, compatible with suppressors and tracers, as well as with a thread protector.

Red dot sight not included.

Featuring a 4.25" Commander slide and single-stage Government frame, this model also features an integrated 1913 rail for lighting, allowing for versatile attachment of accessories. Cutouts ZEV "Orion" slide inserts add a touch of sophistication to its appearance, while the dimpled outer barrel enhances its aesthetic.

Designed with convenience and compatibility in mind, the pistol features an ambidextrous thumb safety, ensuring ease of use for both left and right-handed users. The outer barrel is stabilized to minimize any unwanted movement, thanks to a spring located inside the reloading chamber.

Durability is prioritized with a sturdy steel hammer set, including the hammer, disconnect, firing pin and trigger. The magazine valve is also made of steel and each magazine has a capacity of 24 rounds. Additionally, the magazine baseplate comes pre-installed with the PTS Enhanced Pistol Shockplate 1911, further improving performance.

With excellent Tokyo Marui compatibility, the PTS ZEV ED-BROWN 1911 shares many internal components with the Tokyo Marui 1911, including the outer barrel, acceleration chamber, hammer set, lower frame area and magazine. The 15mm air nozzle is compatible with Tokyo Marui V-10 models.
