Main Features :

Exceptional Light Power:

- The high quality LED chip generates up to 480 lumens.
- Impressive radiation range of 180 meters.

Adjustable Hose Clamp:

- The 3-hole rail clamp is adjustable between 2cm and 2.2cm.

- Easy adjustment using the micro screwdriver included in the package.

Powerful Battery:

- Built-in 500mAh battery allowing 1.5 hours of continuous use at full power.
- Easy charging via the included magnetic charging port.

Practical Charge Indicator:

- Red display while charging.
- Turns green when fully charged.

Intelligent Use Modes:

- Activation/deactivation of continuous mode by pressing the switch once.
- Activate strobe mode by holding the switch for 2 seconds.
- In strobe mode, a long press of 2 seconds deactivates the mode completely, preventing unintended activation.
