Presentation of the latest ACETECH professions: Blaster AK
Immerse yourself in the world of precision and sophistication with the ACETECH Blaster AK, an exclusive illuminated flash hider designed specifically for Russian AK rifles.
This cutting-edge accessory goes beyond aesthetics, offering a unique blend of MilSim design and functional innovation. The meticulous engraving of Russian letters, aerospace sculptures and aerial cavity sculptures illustrates the attention to detail. The incorporation of a locator slot ensures precise placement, allowing you to easily customize your firearm. The cushioning effect designed by the O-ring provides an extra layer of stability, preventing any potential looseness during intense shooting sessions. Enhance your shooting experience with the captivating glow of the blue flame, adding a unique and functional touch to your firearm.
