AD99995	UTG fixed front sight for AR15	Vente libre	3.1	4.4	28	39.00 € incl. tax

Adjustable sight with a retro look for its M4 and AR15

- Machined from 6061-T6 alloy and steel
- Durable matte black finish
- Streaks against glare
- Height adjustable handlebar
- 21mm rail mounting with Torx screw lock and rail stop to maintain zeroing
- Recommended tightening torque: 35 lbs
- Compatible with the fixed riser (Ref AD99994)

The UTG fixed front sight allows you to equip your Ar15 with secondary so-called "back-up" sights.

In addition to its robustness, the UTG handlebar provides a vintage look for M4 owners looking for a retro and military appearance from the 1990s-2000s.

Coupled with a Red dot, the front sight ensures Cowitness or even 1/3 Cowitness aiming depending on the height of the red dot.
