- Lightweight CNC aluminum openwork slide
- Frame with injection molded polymer stippling that provides the perfect blend of realism and rugged reliability
- Compatible with Tokyo Marui Hi-Capa 4.3 parts which opens the door to more customization with the wide range of aftermarket parts
- Hexagonal cutouts on the rear of the slide provide good grip when loading while providing a unique look.
- Realistic bolt return action with a smooth sliding slide that is crisp and lively
- Integrated front and rear combat-style fiber optic iron sights facilitate better target acquisition, even in low-light environments
- Flared magazine magwell for faster, easier reloading
- Competition style skeleton relaxation
- Ambidextrous safety lever with a functional safety beavertail that you would expect from most Hi-Capas on the market.
- Integrated lower accessory rail allows for attachment of lights, lasers and other tactical accessories
- 23-shot gas magazine
- Between 300 and 330 FPS at 0.20
- 11mm CCW thread
