Meet the Macavity Agility MA2, a PCP rifle designed to deliver exceptional performance to shooting enthusiasts.

The Macavity Agility MA2 is ideal for target shooting. Its lightweight construction and AR-style tactical design ensure optimal maneuverability.

- Adjustable regulator
- Rifled, tensioned and shrouded barrel system
- Adjustable hammer spring
- Quick and easy to operate side lever
- Two-stage adjustable trigger
- Two gauges for tank pressure and regulator pressure
- Self-indexing rotary magazine (metal version available)
- AR-15 type tactical stock
- Picatinny optical mounting rail
- Quick-disconnect fill port
- Canon with sound moderator
- Comes with 3 chargers

Scope and bipod not included

Precision and Power

The MA2 sets a new standard for accuracy, delivering one minute of angle (MOA) at 50 yards, or a 0.5-inch center-to-center grouping. This performance is ideal for shooting competitions or hunting sessions requiring high precision.

Optimal Efficiency

Thanks to an advanced pneumatic design, the MA2 offers remarkable air efficiency, allowing for a high number of shots per fill. This ensures extended shooting sessions, maximizing your time in the field or at the shooting range.

Personalization and Comfort

Equipped with an AR-15-style stock and grip, the MA2 offers a wide range of customization options. This sleek, modern design allows shooters to tailor the rifle to their personal preferences, improving comfort and handling.
