A68717	LANCER TACTICAL SIGNAL LED	Vente libre	12.40 € incl. tax

- Flexible PVC rubber construction with a comfortable elastic nylon hook and loop strap
- Fully adjustable, one size fits all with the help of the elastic, the cuff always fits well
- The push button switch cycles through 5 different LED colors (red, blue, yellow, green, white)
- Reflective backing material ensures that the LED light is easily visible even in bright environments
- Easy to replace battery (uses 2 CR2032 lithium batteries)
- Useful marking or beacon device for various low light activities
- Lasts about 72 hours straight with the light on all the time
