AJ6884	Archery Target Pins - Pack of 6	Vente libre	10.00 € incl. tax

Ensure a strong and durable attachment of your archery targets with Avalon stainless steel nails, designed for demanding archers.

Avalon Target Nails are made from **high-grade stainless steel** , offering **exceptional corrosion resistance** and **increased longevity** . Designed to firmly secure your target faces to a variety of target surfaces, they ensure a stable and secure installation, essential for optimal shooting sessions.

Secure fixing for your coats of arms

Avalon Face Studs are designed to provide a secure hold for your face on a variety of target surfaces, whether foam, straw or composite. Their design ensures easy penetration and a firm hold, preventing the face from shifting or deforming during shooting.

Durability and Corrosion Resistance

Made of **stainless steel** , these nails effectively resist corrosion, even in humid outdoor conditions. This durability guarantees a long service life, reducing the need for frequent replacements and ensuring consistent performance over time.

Versatile Use

With their universal design, Avalon nails are compatible with a wide range of target faces and targets. Whether you are a beginner or an experienced archer, these nails make setting up your targets easy, allowing you to focus on improving your shooting skills.

Why Choose Avalon Coat of Arms Nails?

- **Superior Quality** : Premium materials for optimum performance.
- **Ease of Use** : Quick and easy installation of your coats of arms.
- **Versatility** : Compatible with various types of targets and faces.

- **Economy** : Increased longevity reducing replacement costs.

By choosing **Avalon stainless steel target nails** , you are choosing a reliable and durable solution for attaching your targets, essential for successful shooting sessions.
