Compliance with Official Standards

The **World Archery 60cm target face** is strictly compliant with World Archery specifications, ensuring an authentic training and competition experience. The standard 10-zone centre allows for accurate assessment of shooting performance, essential for archers looking to improve their accuracy.

High Quality Materials

Made of high-quality reinforced paper, this shield offers increased resistance to repeated punctures, ensuring a long life even during intensive use. The bright colors and clear demarcations of the scoring zones improve visibility, making it easier to identify impacts from a distance.

Versatility of Use

Whether for daily training sessions or official competitions, this 60cm target face is suitable for various archery disciplines. Its standard size makes it a preferred choice for archery clubs and individual archers looking to replicate competition conditions.

Advantageous Packaging

Available in a pack of 100, this target face offers excellent value for money for clubs and intensive archers. This quantity provides enough targets for extended training sessions or to equip multiple targets at events.

Why Choose the World Archery 60cm Blason?

- **Accuracy** : Scoring zones conform to international standards for accurate performance assessment.
- **Durability** : Robust materials resistant to repeated shots.
