SKU	Designation	French Law	Colors	MSRP
AJ6891	Ambidextrous arrow rest	Vente libre	Black	20.00 € incl. tax

The Maximal Capture Brush TP812 Arrow Rest is designed to provide exceptional stability and increased accuracy with every shot.

Compatible with right-handed (RH) and left-handed (LH) bows.

It ensures optimal versatility for all archers. Its innovative design holds the arrow firmly in place, reducing vibration and improving accuracy.

- **Compatibility** : Right-handed (RH) and left-handed (LH) bows
- **Type** : Capture Brush Arrow Rest
- **Material** : Durable aluminum frame with high quality nylon brushes
- **Adjustability** : Horizontal and vertical adjustments for precise alignment
- **Installation** : Easy assembly with included fixing screws
- **Weight** : Light so as not to weigh down the bow

Secure Arrow Hold

Thanks to its capture brush system, the Maximal Capture Brush TP812 arrow rest firmly holds the arrow in place, eliminating unwanted movement during cocking and shooting. This design ensures a smooth arrow release, contributing to increased accuracy.

Versatility Ambidextrous

Designed for use by both right- and left-handed archers, this arrow rest offers maximum flexibility. Its ambidextrous design allows for simple installation and easy adaptation to different types of bows.

Robust and Durable Construction

Constructed with a high-quality aluminum frame and durable nylon brushes, the TP812 is designed to withstand heavy-duty use. Its durability ensures consistent performance, even under demanding shooting conditions.

Precise Adjustments

The arrow rest offers horizontal and vertical adjustments, allowing archers to precisely adjust the arrow position for optimal alignment. This customization helps improve shooting accuracy and consistency.

Easy Installation

With the included mounting screws, installing the arrow rest is quick and easy. Archers can easily mount the TP812 on their bow and make any necessary adjustments without specialized tools.
