The Avalon Magneto Fletch Clamshell Fletching Device is designed for archers who demand optimum accuracy when fletching their arrows.

Equipped with a magnetic straight clip, it ensures perfect alignment of feathers or fins, guaranteeing superior performance in flight. Its ergonomic design facilitates the fletching process, making the tool indispensable for both beginners and professionals.

- **Brand** : Avalon
- **Model** : Magneto Fletch Clamshell
- **Clamp Type** : Magnetic Straight
- **Compatibility** : Fits most arrow diameters
- **Material** : Heavy duty construction for added durability

Magnetic Precision

With its magnetic straight clamp, the Avalon Magneto Fletch Clamshell ensures a firm hold and precise alignment of the feathers or vanes on the arrow. This precision is essential to ensure a stable trajectory and optimal performance in flight.

Ergonomic Design

The clamshell design of the device facilitates the insertion and removal of arrows, making the fletching process faster and more intuitive. This ergonomics is particularly appreciated during extended fletching sessions.

Universal Compatibility

Designed to accommodate a wide range of arrow diameters, this device offers great versatility, making it suitable for various types of arrows used in archery.

Sustainability and Quality

Manufactured with robust materials, the Fletch Clamshell Magneto is designed to withstand heavy use, ensuring a long life whilst maintaining consistent performance.
