Customize your replica with the Vorsk retractable stock available in several colors!

The **Vorsk Retractable Stock Set** is designed to provide optimum adaptability and comfort for airsoft users. Made from **high-quality reinforced polymer** , this stock is both lightweight and robust, ensuring increased durability in the field.

Available in three distinct colors:

- **Black** : For a classic and discreet look.
- **Gray** : For a modern and elegant appearance.
- **Tan** : Ideal for desert environments or a tactical style.

This retractable stick offers multiple adjustment positions, allowing each player to adjust the length according to their preferences for optimal handling. In addition, its ergonomic design ensures a comfortable grip, reducing fatigue during extended gaming sessions.

Why Choose Vorsk Retractable Stock Set?

- **Custom Fit:** With multiple adjustment positions, adjust the length of the stock for increased comfort and accuracy.
- **Wide Compatibility:** Designed to fit a wide range of airsoft replicas, providing significant versatility.
- **Quality Material:** Reinforced polymer ensures impact resistance and longevity, even under intense gaming conditions.

Technical characteristics:

- **Compatibility:** Universal for airsoft replicas equipped with a standard stock tube.

- **Material:** High quality reinforced polymer for an ideal combination of lightness and strength.
- **Available Colors:** Black, Gray and Tan to match your aesthetic preferences.
- **Adjustments:** Multiple length positions for a custom fit.

Benefits :

- **Improved Ergonomics:** Adjust the stock to your body shape for an optimal shooting posture.
- **Easy Installation:** Easily mounts on most replicas without requiring major modifications.
- **Modern Design:** The three available colors allow you to customize the appearance of your replica according to your tastes.

FAQ - Frequently Asked Questions

1. Is this stock compatible with all airsoft replicas?

This stock is designed to fit replicas equipped with a standard stock tube. It is recommended to check specific compatibility with your model before purchasing.

2. How do I install this stock on my replica?

Installation is simple and does not require any specialized tools. Simply remove the old stock and attach the new one following the instructions provided.

3. Can I adjust the length of the stock to my preference?

Yes, the stock has multiple adjustment positions, allowing you to adjust the length for optimal comfort.

4. What colors are available for this stock?

This stock is available in three colors: Black, Gray and Tan, allowing you to choose the one that best matches your style or playing environment.
