Improve the grip and style of your VMP-2 with this magazine sleeve available in three colors!

The **Vorsk VMP-2 11.5" External Barrel Extension** is an essential accessory for airsoft players looking to change the length of their barrel while adding a distinctive splash of color to their gear. Made from **high-grade aluminum alloy** , this extension ensures increased durability and strength while remaining lightweight. The five available colors - **Purple** , **Blue** , **Red** , **Silver** and **Black** - allow players to customize their replica according to their aesthetic preferences or to match a specific theme.

Designed specifically for the **VMP-2** model, this 11.5-inch (approximately 29.2 cm) barrel extension features a 14 mm CCW (counterclockwise) male thread, providing universal compatibility with a variety of suppressors, tracers, and other barrel accessories. In addition, it fits perfectly with the VAC-06-09 external barrel mounting base, ensuring a secure and stable attachment.

Why Choose the Vorsk VMP-2 11.5" External Barrel Extension?

- **Aesthetic Personalization:** Available in five vibrant colors, this expansion allows you to distinguish your replica on the field and adapt it to your personal style.
- **Universal Compatibility:** Thanks to the 14mm CCW male thread, this extension is compatible with a wide range of barrel accessories, giving you maximum flexibility to configure your replica to your needs.
- **Easy Installation:** Designed to fit perfectly with the VAC-06-09 external barrel mounting base, installation is simple and does not require complex modifications.

Technical Characteristics:

- **Length:** 11.5 inches (29.2 cm)
- **Material:** High quality aluminum alloy

- **Thread:** 14mm CCW (counterclockwise) male
- **Compatibility:** Specifically designed for the VMP-2 model with the VAC-06-09 external barrel mounting base
- **Available Colors:** Purple, Blue, Red, Silver, Black

Benefits :

- **Aesthetic Enhancement:** Add a touch of color to your replica for a unique and personalized look.
- **Versatility:** Compatible with various barrel accessories, allowing you to adapt your replica to different playing situations.
- **Superior Quality:** Aluminum construction ensures long life and resistance to intense playing conditions.
