FAQ

Is the replica delivered ready to use?

Yes, the replica comes in a case with a magazine; you will need to provide gas and BBs for use.

Which gas should be used?

Use a gas compatible with GBB (comply with supplier recommendations and local regulations).

Does this replica comply with European legislation?

Sale is restricted to persons over 18 years of age. The power must be checked with a chronograph and adjusted if necessary by a gunsmith to comply with local regulations (? 2 joules in Europe according to applicable rules).

Is the charger replaceable with other brands?

The supplied magazine is dedicated (24 BBs); compatibility with other magazines depends on the AAP01/Action Army standard - check the model before purchase.
