Reliable and ergonomic 250-round pink mid-cap magazine for M4/M16 AEG.

The **Amarok Pink Type A Magazine** is designed for M4/M16 AEG or HPA replicas.

- **Capacity:** 250 balls
- **Compatibility:** M4/M16 AEG and HPA systems
- **Construction:** Impact-resistant polymer
- **Color:** pink
- **Type:** Mid-cap with high tension spring

A colorful and efficient charger

This **Amarok** Type A magazine in pink finish is more than just a stylish accessory: it's a piece of equipment designed for performance. Its **250-round capacity** allows for long firing sequences without having to constantly reload, while retaining the advantages of the mid-cap format—no rattling rounds, no winding.

Textured Type A grip for optimal handling

Amarok magazines are available in two grip variants: **Type A**, shown here, features a **diagonally textured, non-slip surface** for a firm grip, even when wearing gloves. Conversely, **Type B** features a vertically ribbed grip, designed for rapid draw in extreme conditions.

Compatibility and robustness

Made of high-strength polymer, this mid-cap magazine is built to last. It is compatible with most **M4/M16 AEG** replicas on the market, as well as **HPA** systems. Its high-tension spring ensures **smooth and consistent feeding**, even under sustained fire.

- **Spring Type:** High tension for continuous power supply
- **Structure:** Widened channel for fast loading
- **Weight:** light for easy transport
- **Finish:** original and durable matte pink
