A compact and essential medical module for your airsoft missions or tactical interventions.

The **Immortal Warrior Tourniquet and Scissor Pouch** is designed to ensure **quick and secure access to your medical equipment** in critical situations. Its **MOLLE attachment system** ensures seamless integration with all compatible equipment (vests, bags, belts).

- **Compatibility** : CAT type tourniquets / standard medical scissors
- **Material** : High strength nylon
- **Attachment** : MOLLE
- **Main closure** : Flap with buckle
- **Secondary compartment** : Side sheath for scissors
- **Available colors** : Multicam, Ranger Green, Coyote, Black

Ideal for airsoft players engaged in Milsim scenarios or for professionals, the **Corso Tactical TTQ+CIS pouch** is an **ultra-functional** tactical accessory. The **flap secured by a quick buckle** effectively protects the tourniquet, while **a side sheath made of elastic webbing** securely holds the scissors, ready for use.

Its **compact profile** doesn't interfere with your mobility, and its **understated, modular design** complements all Corso Tactical gear.

Compatible with the **MOLLE** system, this pouch easily adapts to all tactical supports: vests, bags, combat belts. Its robust **reinforced nylon** design ensures good hold and lasting resistance, even in the harshest gaming or intervention conditions.

The **Multicam** , **Ranger Green** , **Coyote** and **Black** colors allow for perfect integration into your camouflage or urban configuration.
