The **Flint MK1 Chest Rig** is specifically designed to integrate seamlessly with Corso Tactical's **Drake MK2 and MK3** tactical vests, thanks to its Velcro fastening system and robust fasteners, ensuring a strong and stable attachment. The **shoulder straps are equipped with MOLLE loops**, allowing the addition of additional accessories such as radio pouches or hydration systems.

Featuring a **laser-cut MOLLE system** throughout the vest, it allows for complete customization by adding various pouches and accessories according to the user's specific needs. **Adjustable straps** ensure a perfect fit for different body shapes, ensuring comfort and stability during movement.

The Flint MK1 is equipped with **two administrative pouches with female Velcro** , ideal for storing personal items or additional accessories. In addition, it includes inserts for up to **six 5.56 mm type magazines** (compatible with M4, AUG, AK74), providing quick and secure access to ammunition. For airsoft players, it will be perfect for holding magazines for AR15 / M4 / M16 AEG replicas.

Available in **Multicam** , **Ranger Green** , **Coyote** and **Black** , the Flint MK1 adapts to various configurations and tactical preferences, providing seamless integration with the rest of the equipment.
