## Go from patrol mode to combat mode in the blink of an eye with the Corso Tactical MK1 1-2 Point Sling.

Designed for demanding airsoft players and professionals, the **Crossbones MK1 - Corso Tactical sling** is a **versatile** accessory, allowing it to be worn in a **1-point or 2-point configuration** depending on your mobility or stability needs.

- **Model** : Crossbones MK1
- **Configurations** : 1 point or 2 points (convertible)
- **Material** : High strength polyester
- **Padding** : Non-slip for long-lasting comfort
- **Buckles** : Sturdy metal
- **Adjustable** : Yes, for replicas of various sizes
- **Colors** : Multicam Black, Multicam, Ranger Green, Coyote, Black

The **MK1 Crossbones 1-2 Point sling** is ideal for varied field situations: in **CQB** , it configures in **1 point** for ultra-fast transitions between the shoulders; in **more static scenarios** , the **2-point** mode offers you better stability and prolonged wear without fatigue.

Its **convertible** design fits perfectly with long replicas such as M4, AK, G36 or SCAR. The **non-slip padding** ensures optimal comfort, even during long sessions. Made of **durable polyester** , it combines durability and flexibility.

The **metal buckles** and **adjustable straps** ensure universal compatibility and a firm hold for your replica, whatever the configuration. Its central padding ensures **good weight distribution** , a definite advantage in Milsim.

Available in **Multicam Black** , **Multicam** , **Ranger Green** , **Coyote** and **Black** , the Crossbones 1-2 Point Sling blends seamlessly with the rest of your tactical gear, providing aesthetic and functional consistency.
