The Gamo HPA Mi Jungle is a 24 joule tactical air rifle, equipped with a silenced Whisper Maxxim barrel and a jungle brown polymer stock.

The Gamo HPA Mi Jungle is a high-end air rifle, designed for recreational shooters looking for an **all-in-one solution** folding bipod

Designed for demanding shooters, the Gamo HPA Mi Jungle combines **technology, comfort and accessories**. The 4.5 mm caliber coupled with a power of 19.9 joules allows for a high projectile velocity, ideal for medium-range target shooting. The **folding bipod** allows the weapon to be perfectly stabilized for prone shooting sessions, thus increasing accuracy and comfort.

Its **IGT** (Inert Gas Technology) system ensures smoother and quieter propulsion than traditional springs, while the **Whisper Fusion** coated barrel significantly reduces firing noise.

Its synthetic tactical stock, equipped with a Picatinny rail, offers excellent grip and allows for the addition of accessories. The adjustable **CAT** trigger and **SWA** butt plate complete the overall ergonomics for a comfortable and accurate shooting experience.

The jungle-style design with matte black finish enhances the weapon's tactical appeal. The 3-9x40 WR scope offers clear, adaptable aiming, even on distant targets, while the integrated Picatinny rail allows you to customize your rifle to your needs (lights, lasers, etc.).
