A precise and versatile maintenance kit

Designed for small jobs, this **5-piece multi-pick kit** is the ideal tool for handling **O-rings**, adjusting a **hop-up**, or removing debris in tight spaces. Its 7.62 cartridge-shaped handle provides both comfort and stability, even in confined environments.

7.62 NATO grip : style and efficiency

Machined from **anodized aluminum**, the grip replicates the proportions of a 7.62 NATO cartridge. Lightweight, robust, and comfortable to hold, it is also laser-etched for a clean and durable finish. The assertive tactical look doesn't compromise ergonomics.

Interchangeable tools for every task

The four included tips allow you to adapt to different needs: **O-ring** removal, **HOP chamber** adjustment, precision cleaning, or fine disassembly. Assembly is quick and easy, with a secure hold for heavy-duty use.

Compact storage box

The kit comes in a **rigid plastic box** with a transparent lid, perfect for keeping your tools organized and visible at all times. Ideal for slipping into a case or shooting bag pocket.
