Consistent and reliable BBs to get the best performance from every replica

BLS Precision 6mm airsoft BBs are renowned for their dimensional consistency and high-quality finish. Designed to meet the demands of discerning players, they ensure smooth feeding and a stable trajectory, both indoors and outdoors.

- **Standard 6mm diameter** compatible with most replicas
- Polished surface for smooth passage through the barrel
- Excellent manufacturing consistency
- Reducing the risk of jamming
- Suitable for both casual use and more sophisticated setups

BLS Precision 6mm airsoft BBs are ideal for players looking to optimize the performance of their replica, whether indoors or outdoors. Their standard diameter and perfectly controlled weight ensure wide compatibility and consistent feeding, even during high-volume shooting.

Box contents

FAQ

Are these marbles suitable for outdoor and indoor play?

Yes, their regularity and stability make them suitable for both gaming environments.

What is the difference between the weights offered?

Each weight allows the shooting behavior to be adjusted according to the configuration and preferences of the player.

Do these marbles reduce jams?

Yes, their constant diameter and polished surface promote smooth feeding.

Are they suitable for precision cannons?

Yes, their homogeneity is particularly appreciated on carefully designed configurations.
