A 1911 CO² all-metal blowback with realistic sensations.

The **AW Custom NE3101** is a **.177** gas blowback pistol inspired by the legendary 1911, combining metallic finishes, compensated design and realistic shooting sensations.

- **Caliber:** .177 (4.5 mm)
- **Operation:** CO²
- **Initial speed:** 320 FPS
- **Magazine capacity:** 16+1 rounds
- **Total length:** 256 mm
- **Weight (without charger):** 780 g
- **Inner barrel length:** 109.9 mm

A 1911 with a strong character

This model incorporates the iconic aesthetic codes of the 1911, with a **flat-grooved** metal slide on top and an iconic compensator that immediately reinforces its identity. In hand, its weight inspires confidence and evokes the feel of a classic steel platform.

Metallic finishes and distinctive details

The metal alloy frame and slide are paired with **imitation metal grips** for a refined visual effect. Also noteworthy are the **star-shaped trigger** and **matching guide rod**, aesthetic signatures that clearly distinguish this model from more traditional 1911s.

Blowback mechanics and shooting sensations

The blowback system offers a crisp and realistic cycle, enhanced by a **functional dummy firing pin** that contributes to the mechanical immersion. Recoil remains controlled, while providing a clear

and satisfying kick during recreational shooting sessions.

Configuration and technical elements

- **Magazine:** NEMG02 single-column gas included
- **Materials:** Metal alloy
- **Weight with charger:** 970 g
- **Box dimensions:** 345 x 209 x 58 mm
- **Package weight:** 1250 g

FAQ

Which gas is recommended for this model?

The gun operates on green gas. A propane adapter can be used, provided the charger is compatible with the nozzle.

Is the gun made entirely of metal?

The cylinder head and frame are made of metal alloy, offering realistic weight and appearance.

What type of practice is this 1911.177 intended for?

It is designed for recreational shooting and dynamic leisure shooting, with a strong focus on realism and mechanical fun.
