Compact 210 FPS recurve crossbow with reflex sights.

The **BARNETT Demun AccuStrike Pro crossbow** is a **compact pistol-type recurve crossbow** , designed for **recreational shooting** and regulation, combining maneuverability, safety and precision.

- **Type:** Compact recurve
- **Power:** 80 lbs
- **Speed:** Up to 210 FPS
- **Mechanism:** Patented 2-stroke Break-Action
- **Branches:** Reinforced parabolic R80
- **Sight:** Adjustable red/green dot reflex
- **Rail:** Picatinny
- **Projectiles:** HyperBolt™ 7" 3F
- **Security:** Automatically engages the weapon
- **Accessory:** DEMUN™ retractable strap included

Compact and responsive recurve design

The **Demun™ AccuStrike Pro** features a simple and effective **recurve** design with reinforced R80 parabolic limbs. Its pistol grip shape makes it particularly maneuverable and quick to set up. With a velocity of up to **210 FPS** , it delivers performance suited to precision shooting at short and medium ranges.

2-stroke Break-Action Mechanism

The patented **2 Stage Break-Action** system reduces cocking effort by approximately 50%. A simple press of the lever quickly re-cocks the crossbow. With each cycle, the automatic safety engages, locking the trigger until the moment of firing. Smooth, progressive, and reassuring.

Stability and tactical ergonomics

The **Flip-Down** foregrip offers two positions: a classic grip or a deployed AR-style stabilized platform grip. The diamond texture ensures a firm grip, even with gloves. The textured TPE charging handle enhances comfort and control during handling.

Red/Green Reflex Viewfinder

Mounted on a **Picatinny** rail, the fully adjustable red/green reflex sight allows for quick and precise alignment. Target acquisition is instinctive and efficient, promoting excellent shot consistency.

Customizable HyperBolt™ 7"

HyperBolt™ 7-3F projectiles are compatible with an interchangeable tip system:

- **Precision Point Tip:** Smooth flight and easy extraction
- **Vermin Broadhead Tip:** Optimized penetration
- **Vermin Blunt Force Tip:** Blunt Impact

Retractable strap included

The **DEMUN™ quick-release retractable strap** (24") allows for secure and discreet transport. A simple button is all it takes to adjust the length and lock it in the desired position.

FAQ

Is the crossbow equipped with a safety system?

Yes, the safety mechanism engages automatically each time the weapon is armed via the Break-Action system.

What type of projectiles does she use?

It uses HyperBolt™ 7" 3F compatible with various Barnett interchangeable tips.

Is it suitable for recreational shooting?

Yes, its compact size, stability and reflex sights make it a suitable model for recreational shooting and training, in compliance with local regulations.
