Enhanced capacity for greater autonomy

With its **40-round capacity** , this magazine offers greater autonomy than standard models. This translates, in part, to fewer reloads and improved continuity of action - a real advantage in dynamic situations.

Perfect compatibility with the PCC platform

Developed specifically for the **DOUBLE EAGLE DD PCC GBB** , it ensures a precise fit and smooth power delivery. It offers a clean insertion and secure locking mechanism, essential for reliable use.

Stable and proven gas operation

Optimized for use with **green gas** or **12 kg** gas, it guarantees consistent firing. Performance remains stable, even at high rates of fire, provided the gas used is appropriate for the conditions.

Sturdy and realistic construction

Its robust design inspires confidence from the moment you pick it up. The design, faithful to modern PCC magazines, combined with the **Daniel Defense** license, enhances the immersion and

authenticity of the replica.

Additional features

- **Power source:** Blowback gas
