An uncompromising panoramic view

On the field, every detail counts. Thanks to its **Horizon 290°** lens, this goggle offers an exceptional field of vision. Peripheral movements are immediately perceptible, a decisive advantage during fast-paced action. The **anti-fog thermal lens** ensures clear vision even in wet or intense conditions.

Next generation comfort and support

The **GSR Pro-Strap** system is a true game changer. Adjustable via a precise dial, it ensures a stable fit without excessive compression. The **multi-layered Soft Touch foam** , meanwhile, naturally molds to the face - you almost forget you're wearing a mask, even after several hours.

Optimized breathability and communication

SCREAM technology improves airflow and limits heat buildup. The result: less fogging, greater comfort, and above all, easier communication with teammates. The **compressed earcups** provide effective protection without impairing hearing.

Designed for action

Ultra-light and perfectly balanced, this model benefits from an advanced ergonomic design. **Quick screen changes** simplify maintenance in the field.

- **Screen replacement:** Quick, tool-free system
- **Compatibility:** i4 / i5 lenses
